

## Worship & Music Committee meeting [online: via Zoom](#) July 7, 2020

Present: Carolyn Ciaccio, Sherry Scheider, Pastor Scott, Linda Longardner, Liz Beale, and Susie Smalley

Pastor read Psalm 131 and the meeting commenced.

### **Old Business:**

- † Wednesday services, including distribution of Holy Communion – We now can have in-person gatherings of up to 50 people. Pastor prefers to hold the services outdoors in the Memory Garden but has planned on how to do seating arrangement indoors if weather won't allow for outside service. We talked about the steps that will be made to ensure everyone's health will not be compromised. There will be only one group in the church per week, and surveys/sign-ups will be distributed, via email, by Pastor Scott soon. Since the readings and the sermon will be different than they are on Sundays, those will be recorded and posted online for later viewing.
- † addition of music to Zoom worship – We have now added music to our Zoom worship service: The Hymn of the Day. We believe people have appreciated this. It was suggested by one to have a 'song leader' to lead the singing. Much discussion was had during this meeting about how to go about recording/compiling it, whether or not we want to use a leader, and whether people would just listen passively or actively participate and sing. We decided that the first step would be to ask people to volunteer to be a song leader. Susie will ask a couple people to see if they would be interested; Pastor said he could send out a congregational email as well so everyone could feel included in the invitation.

Meeting was closed with a prayer, led by Pastor Scott.

**Next meeting: **Thursday, Aug. 4, 2020 – 1pm, via Zoom****

Respectfully Submitted,  
Susie Smalley
