

## Worship & Music Committee meeting [online: via Zoom](#) Aug. 4, 2020

Present: Carolyn Ciaccio, Sherry Scheider, Pastor Scott, Linda Longardner, Liz Beale, Susie Smalley, and for the beginning of the meeting: Bob Black & Dave Musser

### **Old Business:**

† addition of music to Zoom worship – Bob & Dave offered their services to go in to church to record people playing/singing the hymn of the day. Then, Bob will superimpose the words onto a video (of either nature, or the person/people singing, or both) so that the congregation could sing along in their own at home and be led by whoever is singing. Everyone liked the idea, and though it's too late to do anything for this Sunday, we are going to plan on doing that for the following Sunday, the 16<sup>th</sup>.

† Wednesday services, including distribution of Holy Communion – No news yet on the results of the surveys, so we don't know yet when the Wednesday Communion services will begin. We talked a little bit about the possibility of having *some* music during those services (soloist, bells, Linda playing, etc.), but only if we stay in Phase 4 (rather than being relegated back to Phase 3, in which only 10 people maximum would be allowed).

Meeting was closed with prayer.

**Next meeting: **Tuesday, Sept. 1, 2020 – 1pm, via Zoom****

Respectfully Submitted,  
Susie Smalley
